

CCMA YEAR IN REVIEW 2023

Christian Cowboy Ministries of Arizona (CCMA) was founded in 2017 on the principle of offering young men and women a unique opportunity to receive solid Biblical teaching, all while fostering a deep appreciation for horses, rodeo skills, and the timeless cowboy tradition. . We aim to positively impact the cowboy culture by inspiring faith, instilling Christian values, and cultivating a love for Christ in the hearts of the next generation.

We accomplish this vision through our ranching and rodeo camps. In 2017 we had our first Rodeo Bible Camp at Canelo Cowboy Church, and in 2023, we have expanded to five camps that occur between ranches in Young, AZ; Canelo Cowboy Church; and the Sonoita Fairgrounds.

As CCMA is growing and in an effort to serve more campers, we have also upgraded our camp trailer with the help of Canelo Cowboy Church; purchased four, individual stall shower units (used at CCMA Barrel Racing Bible Camp); 34 new panels which can be used for stalls or altering an arena (such as was needed for CCMA Breakaway Bible Camp in 2022); and other various rodeo equipment.
